“ *I know that this is late, but better late than never. I am so sorry of Stacy's passing. I didn't know Stacy for too long and wish that it had been under better circumstances, but she touched me in a way that is undescrivable. She is one of these people that if you met them the first time, you will always remember and never forget. May god bless your family and thanks for letting me take care of your family member.*

“ *So sorry to hear of Stacy's passing. I have fond memories of Stacy from when I worked with her mother Ruth, at Palm Beach Gardens Elementary School in Plam Beach Gardens, FL. This was a long time ago so we lost track of each other, but I have thought about all of you from time to time through the years. I especially remember Stacy's fondness for the movie Grease. She watched it over and over many times and would discuss it with me when she visited our classroom after school. Stacy has now joined her Dad who has left this life very recently. Stacy was a Special Angel who is now in a better place.*
