“ You are the only one , only one I could talk to for hours, about anything, everything or nothing. Good and bad. You never judged me, you welcomed me with open arms , and I have never felt so close to another female like I did you. I do smile knowing you are with your baby, mom brother n dad! I will definitely be saying not good bye but "till I see you again" .. on Friday. I live you Steph, you one tough chic, I admired your strength, your advice, honesty, the way you lived your husband and children . Girl I miss you! Xoxxo
