“ Hard to believe it's been 15 years since your larger than life presence inhabited the earth. With Ricky's passing...and Mark C's...memories of WVA and you surface. I think it would make you happy that Renee and I are sisters...connected through our deep and abiding love for you. I just want you to know...the time spent with you was some of the best years of my entire life and my only regret is that I never had the chance to tell you. I hold on to the hope that we'll meet again one day. I'm a big girl now...but my heart still aches at your passing. I will always love you...Willow ❤️

“ I had the pleasure of knowing Steve through Renee. I met him one evening as he came to pick Renee up at work. He drove up with his buddy Chopper sitting next to him. Those two were inseparable! I think that he was devastated when Chopper passed and that he never fully recovered. I also remembered that when I heard that strong southern accent of his I thought that it was really neat! He and Renee helped me through a very difficult time in my life and for that I will always be grateful. As long as there is Renee, there will be Steve for she will keep his memory alive. As Renee states quite often, "He is my soul mate. I will always love him!" I do believe that he has earned his place in heaven. May God bless him. ~ Deb

“ For Steve: Mike and I loved you like family and we shared many memorable days. Maybe you will run into him up there in Heaven along with other friends we have lost along the way. You two behave yourselves. I'm gonna miss you dearest friend. Love, Eleanor Short
