“ I did not know this gentleman, but was there when the accident happened. He has been on my mind continually. What an answer to prayer to read that he knew the Lord! From all that is written, he was much loved, had many friends and a wonderful family. May God wrap his arms around you all in this sad time.

“ I know Steve was saved about 3 years or so ago. When I saw him, I could see Christ in his life. I shortly after that gave my life back to Christ. He was a witness for God and I want his family to know he made a difference in my life by saving my soul. Maybe he didn't know how he touched others but I do. May God bless his family and give them peace knowing he is with God.
