“ *Our prayers and thoughts are with you Judy and your girls. I admired your closeness with your mom you two were like sisters - she was a very special lady and will be sadly missed. We know she couldn't leave your dad's side for very long. They are together again and someday we WILL see them again. God Bless.*

“ Judy, Coutnee and Kari I am so sorry I just read the paper I try to check each day but had failed to check this week. I just saw her at leslie's shower she looked good and we talked a little. She is a precious lady whom I loved and will cherrish her memories. I have the chest she painted for me. She said now don't tell anyone because I am don't doing this for just anyone. I loved her. You all are in my prayers and in my heart.

My thoughts and prayers are with you but remember that she is in a much better place with the ones she loved who were waiting for her.
