“ I have known Tim most of my life. He was one of the best friends I’ve ever had. Honestly, my life would have been quite different had he not been in it. I have many good memories to reflect on, but I’m sad that we can’t make any more. He was a good and caring person and I will miss him forever.

“ Tim and I met while working at Lowes. Our friendship blossomed and we married. We were together for 7 years before we divorced. My caring and love never stopped. We kept in touch and forgave each other and made amends. The evening he passed, we were talking on the phone at 3 pm. He addressed his concern over his doctor dismissing him and saying, "I will see you in a year" He knew something wasn't right. Our last words to each other was, I Love You. I don't know if I was the last to speak with him, but I know our friendship was mended and I know He can rest in peace now. Love You Bunches Tim....Laura Collins

“ Timmy and I had known each other all of our lives. He would call me for advice at my office or send me a pm on Facebook. I hadn't heard from him in awhile but our friendship forever remained. I will never forget him. Always had that smile on his face. I have to work and I will be unable to attend his funeral but I will be praying for his family for peace and comfort during this most difficult time.

Sometimes my nephew was so good hearted he let toxic people take advantage of him. But that was his personality. He forgave people instantly & in my eyes that is the Godly way. Love u bunches tmc, Tim.

I was Mr. Collins' insurance agent and I did not know him well. But he was always so nice and polite to me in person and on the phone. My prayers are with his family. I can see from all the above comments that he will be so very missed and that he was so very loved.
