“ *My sympathy and condolences go out to the family. Tim handled many claims for us here at Encompass Insurance and he will be sadly missed. Out of all of the independent adjustors we work with, he was definitely our favorite. We have received nothing but compliments from our customers about the way he handled their claims. He was always very respectful and pleasant to work with. Even though we never physically met Tim, we felt like we've known him all our lives. His friendly personality was infectious. We are devastated by this loss. He will be sadly missed by all of us here at Encompass.*

“ *Please accept my sincere condolences for the loss of Tim. I am a property adjuster with Encompass Insurance who has had the pleasure of working numerous times with Tim. I would call him "old" Tim, so I knew the difference between him and "young" Tim. While we never had the pleasure of meeting in person, Tim was always so kind and professional on our many phone conversations we had. He will be missed by all of us here at Encompass. My thoughts and prayers are with the family.*
