“ *Dear Harry and Alice Ann,
Our entire family was saddened to hear about Virginia. She and your Dad were shining faces at my parent's home celebrating Passover and other holidays or just having dinner before going to Temple. We always had our weekly summer Dairy Queen hot dog lunches with your Mom, Putsie and our children. All of us have fabulous memories involving your parents, my parents and Aunt Marie being together for many many years. Life was very special to us. May your parents rest in peace knowing they are together now. You and your families are in our thoughts and prayers.*
