“ *To The Family of Virginia Shumaker: So sorry to read of Mrs. Shumaker's passing. My first husband (Donald Dillow) worked for Buck for many years. He passed away in 1992. He always thought so much of Buck and Virginia. She and I kept in touch many years and she always sent my kids a birthday gift when they were young. We used to talk on the phone for hours when we got started. When I moved on College Ave. I also seen her at her apartment. She was a lady in every way and everyone who knew her couldn't help but love her. My thoughts and prayers will be with each and every one of you now and in the days ahead. May you find peace in his touch and much pride in knowing how much you were all loved.*
