“ *Randy and I (Tammy) was so very fortunate to be able to clean your moms house for over 20 years. We shared so many stories and love with her eXh and every time we went. I was thankful we were able to see her 2 weeks ago today (Monday) and be able to hug her and tell her we loved her. She was like our mother/best friend. I know she loved her kids and grandkids, she talked about them all the time. Our lives were touched by one of the most special women God ever created. We lost a dear friend that we love but heaven gained a precious angel. Until we meet again Ginny in heaven, RIP my dear. We love you so very much!!
May the Lord give his peace and comfort to her family and friends and give them all that peace that surpasses all understanding. God bless!!*

“ Cathye, Todd, Layne and Lee Ann...so very sorry to hear about your mom's passing. I think Mark Browder had told me that she wasn't doing well so I suppose it was you, Todd, that had relayed that to him. I always liked your mom. She taught me typing at BHS (certainly one subject that is certainly useful in your life for many years) and, of course, I got to know her a little more during the time that Layne and I dated some. She was always so personable and friendly to me. Please know you are in my thoughts and prayers. May God bathe you in his love, grace. mercy and peace.

Virginia Lee was my supervising teacher when I did my student teaching the fall of 1970. I had a great experience with her and learned so much. Later, as a business teacher in Mercer County, I had the opportunity to work with her on committees. She was a fantastic teacher and person. My thoughts and prayers go out to all of you.

“ *So sorry to hear about Virginia passing. I was in her home room all 3 years at Beaver. I also mowed her mother’s yard on College Ave. a few doors down from our house. My thoughts and prayers are with your family.*
