“ Nona was definitely one of a kind. Her loving personality combined with her all her wisdom made her truly a great person!! She never saw a stranger and never made anyone feel unwelcome around her. If she loved you, she loved with her whole heart. She “adopted” me and my girls almost 20 years ago and she never once turned her back on us or refused to answer our calls or text. When I lost my Mom she stepped up and loved me as her own as well as my girls. I’m so glad Laci and Marya had Nona in their lives because I know she enriched theirs. Now we won’t even begin to talk about her fashion sense, but let’s just say she could give Kim Kardashian a run for her money. She was the cutest! I definitely won’t ever forget her kindness and love she has shown to me and my girls and now Maverick too!! Shine bright Nona you truly are a star!!!!

“ Condolences to Angie and Andi along with the whole family. Wanda and I were best of friends. She was one of my best supporters while she worked at JOY during my tenure as manager. The last time I saw her was at the lake house. I was on my pontoon and her and Russ came out and we talked about old times. After Russ passed, I promised her I would come by one day. Sorry to say, I have waited too long. RIP Wanda. You will always be remembered as a true friend.

“ *My family and I met Wanda and her family when she, Louie, and Angie moved in to the neighborhood we lived in. I got to know Wanda very well when she became leader of the Girls In Action group at Calvary Baptist Church. Wanda was a very beautiful person inside and out. She was genuine and very humble. I will always remember her sweet smile. I pray for peace and comfort for her beloved family.*

She was my Pastors daughter in the sixties. So beautiful inside and out. I remember wishing to be just like her. I loved Bertie and Ray too. They were fine people. I am so sorry for your loss. Loved that little beautiful free spirited girl.

I knew your mom when we were teenagers. I thought she was so sweet and had the best personality. Any time we would see each other she would hug me I just thought the world of her. I can see where her love shines through her family. My prayers and love with all the family.
