“ *So sorry to hear about this. I believe I only met him once, but it was a great first impression. Thoughts and prayers are with you.*

“ *Uncle Bill had so many attributes that it would take a lifetime to list - but - for all of us who were fortunate enough to know him and know of him - you already know. He made my life better for being in it as I know he did for others. He was so proud of Randy and Billy and all his grandkids and held Aunt Mary as the treasure of his life. With each tear we cry, I hope there are ten times the smiles as we remember him. My thoughts and prayers are with you all as we say goodbye now. Anything I can do, you need only ask.*

Helen Keller said it best -

“ Mary, I grew up across the street from Bob and Ruth Albert and their children are my age. So I knew of your family and I see by this obituary that Bill was so much like Bob, fun loving and a friend to all. Wish I had known Bill. You have been blessed with many years of hapiness with him. God bless you and your family. Regards, Brenda Russell Norton
