“ *Uncle Carl is part of most of my favorite childhood memories. Always laughing and smiling and ALWAYS glad to see us, especially the kids. He was a God fearing man and looked for God's guidance in everything. We will miss you Uncle Carl but rest peacefully until God calls us home.*

“ *Brother Carl will be deeply missed by his church family. He always searched for God's will in every decision he and Sister Violet made. He always seemed happy to see someone when they came to visit even though I'm sure many times he was in pain. My prayer is that God will enfold his family in His loving arms as they navigate life without their rock.*
